

## Doctors For The Cure®

The Susan G. Komen For The Cure® Central Florida Affiliate has created a program to involve physicians in the Komen Race For The Cure®. The mission of Doctors For The Cure® is to enable all breast cancer survivors to attend the 2007 Komen Central Florida Race For The Cure® free of charge. Last year's race honored over 300 breast cancer survivors. The funds raised through the Doctors For The Cure® program will pay an entry fee for each survivor. Up to 75% of the remaining net proceeds will be used to fund local education, screening and treatment programs while a minimum of 25% will help to fund the Komen Award and Research Grant Program.

In 2007, over \$260,000 was distributed to the following local agencies in grants from Komen Central Florida:

*American Cancer Society – Daytona Beach*  
*Bert Fish Medical Center – New Smyrna Beach*  
*Brevard County Health Department*  
*Center for Multicultural Wellness and Prevention – Orlando*  
*Florida Hospital Foundation – Orlando*  
*Halifax Medical Center Regional Oncology Center – Daytona Beach*  
*Hispanic Health Initiatives – Orlando*  
*Health Alliance/Shepherd's Hope – Orlando*  
*Sumter County Health Department*

We invite you, a Central Florida physician, to help us honor even more men and women who have fought and are fighting this terrible disease. Please become a Doctor For The Cure®!
